The Transportation Bill

Corporate courtesy jets
law makers to National
or Reagan, whence

limos fresh from ho-runs
at The Westin, plus
The Watergate revert to

those establishments
with our own. Poker

mixes in, but broads
barred from that smoky

island, sacrosanct
midst coves of other rep-
resentatives, pneumatic.

For consummate drama,
though, lacks special

boys & their joyful tea-
baggers, or does it?

Baggers, yes.
